

## UK Trade in Humans by Sector 2009 - estimated

- Debt Bondage - mainly men - hospitality, construction, tourism and agricultural industries - intimidated by threats of violence
- Sex Industry - mostly female - enticed with offers of employment, tamed by drugs, violence and rape
- Kids - shoplifting, pickpocketing, ATM crimes, council benefits scams, cannabis factories
- Domestic - imported as virtually free labour, exploited as if personal possessions for the use of the importer, no privacy and 24/7 duty
